## **Club Safety Policy.**

**Ryde Rowing Club has a zero tolerance for anyone being harmed as a result of our members' participation in the sport.**

**We believe that harm is not an inevitable consequence of our activities and that incidents that cause harm can be avoided. We will strive to provide an environment in which the sport can be practiced safely and enjoyably by our members. We will guide and lead our members in a way that fulfils these aims.**

**We recognize that our members have primary responsibility for their own safety and the safety of others. The Club, through its Officers and Committee, will encourage safe practice having due regard for the guidance provided by British Rowing in RowSafe.**

**The Club has safety rules that it expects its members to respect; these can be found on the Safety Notice Boards at the Appley Park Clubhouse at Ryde and the Boathouse at the Folly and can be downloaded from the Safety Section of the Club Web site at – [www.ryderowingclub.co.uk](http://www.ryderowingclub.co.uk). Go to the Rowing Tab – the Safety.**

**Complying with these rules will help to prevent harm. The Club is also committed to learn from the incidents it becomes aware of and will share this information to help others in the sport to learn too. We are committed to make appropriate use of British Rowing's Incident Reporting System.**
